ATE OF INFO. ACE ACQUIRED ATE ACQUIRED ATE ACQUIRED ATE ACQUIRED There are more newspapers and periodicals published than provided for by the plan because the latter was deliberately kept rather low. Sales and number of copies issued show no major changes compared with the time when the 1955 plan was prepared. Sales of books lagged considerably behind the plan and will probably continue to decrease. This failure probably results from delayed publishing and from the fact that the product does not suit the wishes of the buyers. The high fulfilment quota in the beginning of the year may also be explained by the delayed publishing of books and calendars which were to be sold for Christmas. The following may serve as example: a manual of fruit species which has been in preparation by the Sortenant fuer Nutzpflanzen for a prolonged period and which would satisfy an urgent demand, cannot be published because the known names of the various sorts of fruits "which are of feudalistic and imperialistic origin have to be replaced". It can	COUNTRY	East Germany		REPORT
